Headteacher: Mrs Cara Page

Tuesday 5th September 2017

Dear Parents and Carers

I am thrilled to be writing to you as your new Head teacher. From the moment I arrived, I received a warm welcome and already feel a huge sense of belonging. Today has been super and the children have delighted me with their enthusiasm for the new school year and it has been lovely to hear them share their stories of fun filled summer holidays.

As your Head teacher, I want to ensure all children at the school achieve their full potential. When they take the next step into Secondary education, I want each child to feel fully equipped with a strong skill set, a positive attitude to learning and many happy memories of their times here at All Saints.

As a parent myself, I understand the importance of good communication between school and home. I am looking forward to getting to know every member of our school community and sharing the achievements of our All Saints pupils.

Over the coming week, I shall be working closely with each class to enable me to get to know your child a little better. I am also looking forward to getting to know you all. If you see me on the playground, please do not hesitate in introducing yourselves.

Yours sincerely

Mrs Cara Page
